

Now Hiring for Summer! Full Time Chef

The Position:

We have an opening for an experienced cook or chef. The person we are looking for is someone who enjoys being able to pick fresh produce from the Lodge gardens and turn it into tasty, authentic New Zealand food. River Valley majors on what could be called country style meals. From traditional roasts using local and seasonal ingredients, to more cafe style fare at breakfast and lunch.

Genuine hospitality and service underpin our relationships with not only guests, but also other staff.

The successful applicant will be required to commence the position at the start of September.

Our Food:

We believe in serving food that is ethical, local and environmentally-sustainable. Our food comes from local and organic sources, and our on-site vegetable gardens. The vegetable gardens, and buying local free-range foods, are an expression of our core beliefs about the holistic nature of what River Valley does and how we operate. It is a natural fit for a company that firmly believes in protecting the environment.

The Lodge:

River Valley is isolated in some senses of the word. We are 30 minutes drive from the nearest town, and about 2 hours from the nearest city. If applying for a position with us, please bear in mind that you will not be living close to your present family and friends – you will have to make new ones!

We are an Adventure Lodge, and highly value getting out on both the river and land. On days off you can join a raft trip or horse ride (space permitting) . On the other hand, if being outside cell phone reception for more than a few minutes is a major issue, or where shopping is a an essential part of your day then this is not the place for you!
