

# Now Hiring for Summer! Kitchen Hand

## The Position:

We have an opening for a full time kitchen hand. The person we are looking for is someone who is customer service driven, ideally with some barista or kitchen experience, although training will be provided. The role is quite varied and involves serving customers, baking, making coffees, picking produce and assisting the chef.

Genuine hospitality and service underpin our relationships with not only guests, but also other staff.

The successful applicant will be required to commence the position at the end of October.

## Our Food:

We believe in serving food that is ethical, local and environmentally-sustainable. Our food comes from local and organic sources, and our on-site vegetable gardens. The vegetable gardens, and buying local free-range foods, are an expression of our core beliefs about the holistic nature of what River Valley does and how we operate. It is a natural fit for a company that firmly believes in protecting the environment.

## The Lodge:

River Valley is isolated in some senses of the word. We are 30 minutes drive from the nearest town, and about 2 hours from the nearest city. If applying for a position with us, please bear in mind that you will not be living close to your present family and friends – you will have to make new ones!

We are an Adventure Lodge, and highly value getting out on both the river and land. On days off you can join a raft trip or horse ride (space permitting) . On the other hand, if being outside cell phone reception for more than a few minutes is a major issue, or where shopping is a an essential part of your day then this is not the place for you!
